

INFORMATION PAPER

SUBJECT: Tutor.com

BACKGROUND:

- Tutor.com is an award-winning online homework help and learning service that connects students to a certified tutor for one-to-one help.
- The Department of Defense initiative provides military families with free, unlimited access to Tutor.com's online homework, tutoring and career services.

DISCUSSION:

- Military service members and their dependents can work with a certified, professional tutor or career specialist online 24/7 to get help with homework, studying, test prep, resume writing and more.
- Tutor.com has a network of more than 1,800 expert tutors that have conducted over 5 million sessions in more than 16 subjects from elementary math to AP Physics, science, social studies and English.
- Sessions are anonymous and conducted by screened, certified tutors and career specialists who have all completed a third-party background check. Tutors include certified teachers, professors, graduate school students, students at accredited universities and professionals who are experts in their field.
- Students and adults visit the website and follow the authentication procedure for their military branch. Whenever they need help, they can enter their question and then are connected to a certified tutor or career specialist in the interactive online classroom. A certified tutor or career specialist works one-to-one with each student until their problem is solved. At the end of each session the student may print or email a transcript for future review.
- Tutor.com is available worldwide.
- All active duty service members, Guard and reservists on a deployed status, DoD civilians in a deployed status and their dependents are eligible. Information can be found at *www.tutor.com/military*.
